Lift your Spirits!
#821marmade

masculine aroma inspired by
et Virginia pipe tobacco and
e roaring spirit of a swanky
rohibition era speakeasy.

first impression introduces
tes of curries, spicy saffron
and dried fruit to reveal
otes of manuka honey, dark
one vanilla and tonka bean
sweeten the touch of tobacco,
otic woods and powdery musk
that round the base.

Leaves a lasting impression.
