

## TECHNICAL INFORMATION SHEET

### What is it:

It is a hygienic and security information tool designed to help employers meet the DLgs 81/08 obligations. In fact, the professional user is protected by the DLgs. 81/08 and subsequent amendments and additions, requiring the employer to carry out an assessment of the risks to the safety and health of workers (Article 28 of Legislative Decree 81/08).

The said decree defines (Title IX, Article 222) as dangerous chemical agents, not only substances and mixtures that comply with the relevant classification criteria, but also those agents which may pose a risk to the safety and health of workers due to their chemical-physical, chemical or toxicological properties and the way they are used or present at the workplace, including chemicals assigned a professional exposure limit value (art. 222 (1)(b)(3)).

It should be noted that Regulation 1223/2009 defines the end user: a consumer or a professional using the cosmetic product (1), without any distinction being made between these two figures.

### What is not

Finished cosmetic products are excluded from Regulation (EC) 1907/2006 (REACH) as regards the requirement for safety data sheets (Articles 31 and 32) (2);

finished cosmetic products are totally excluded from the scope of Regulation 1272/2008 (CLP) (3), as previously provided by Directive 1999/45 / EC on hazardous preparations (4), and are excluded from the obligation to Classification and labeling of hazards and the provisions relating to safety data sheets [art. 1 (5) (c) of Regulation 1272/2008].

1) Regulation (EC) No. 1223/2009 of the European Parliament and of the Council of 30 November 2009 on cosmetic products, article 2, subsection (1), letter (f).

1) Regulation (EC) 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

2) Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on the classification, labeling and packaging of substances and mixtures 4 Directive 1999/45 / EC of the European Parliament and of the Council of Council of 31 May 1999 on the approximation of the laws, regulations and administrative provisions of the Member States relating to the classification, packaging and labeling of dangerous preparations
