COL ORY FUL

Colorproof is a brand deeply inspired by and connected to all things color. What started as a small collection of color-protecting products has grown into a diverse portfolio of innovative hair care solutions.

We celebrate curls, turn up the volume, and quench thirsty strands—all while setting the tone and keeping color bright. We create rich textures, use highly concentrated formulas and intoxicating fragrances that color your senses and bring the bold to each and every day. Because dull isn't in our vocabulary and fading into the background is never an option.

Let's cue up that color.

Connected by Color

First and foremost, we are connected by color. Color is adventure, joy and opportunity. It expands our horizons, breaks down boundaries and eliminates hard lines. Color sparks connection to our world and each other.

Colorproof was born in 2012 to set a new standard in color care through high-performance ingredient innovation. Each formula was designed exclusively for color-treated hair while being kind to humans and the Earth alike. Collaborating with ingredient manufacturers, industry-leading stylists, chemists and formula experts, Colorproof emerged as a brand of luxurious, award-winning, clean formulas that have won the hearts of hairdressers and their clients worldwide in our pursuit to keep color vibrant and true. That same collaborative spirit lives strong today in a brand where all voices are encouraged, heard and valued.

We are the color keepers.

Powered by Proof

What we have is magic in a bottle. Not just because we say so, but because of scientific and peer proof. We stand behind results-driven color care that people want to talk about. And for good reason...we don't take shortcuts, and we obsess over every detail until we are more than satisfied so you can keep on shining longer and more brilliantly.

My hair feels so silky and soft after my Colorproof blowout. I can't wait to try the products at home and learn more about the ingredients!

- Katie Intner
Beauty Editor at *Harper's Bazaar*

Plush Locks Leave-In Smooth

So excellent. My hair felt so smooth, soft and healthy after using. Loved that it made my hair remarkably smoother without any frizz or added weight.

- Roberta G., Colorproof Educator

Volume Shampoo

Incredible. This formula gave an amazing pillow-y lather and distributed wonderfully while still being easy to rinse. My color looked rich and vibrant and my hair had a silky after feel.

- Trish S., Consumer Tester

Tru Curl Enhancing Crème

I'm blown away by the performance. Tru Curl is a clear winner, from the look and feel of the product, to the fragrance and the outstanding results. Kept curls nice and alive, but not sticky and clumped together. It's become a favorite-go-to-product for me.

- Tom A., Stylist Tester

Essentials

I absolutely love the new packaging...it finally matches the outstanding performance of the products. My hair feels amazing and the color just radiant. I can't wait to try all of the collections!

- Anna E., Consumer Tester

Advanced Color Last System™

In every Colorproof formula, you'll find our Advanced Color Last System to help repair, preserve and protect color-treated hair.

REPAIR

Our Protein Power Complex* combines powerful Amaranth and Pea Proteins to nourish, rejuvenate and help restore youthful brilliance.

- **Amaranth**, high in lysine and squalene, is known to lock in moisture and help strengthen and protect against breakage.
- **Pea Protein**, rich in essential amino acids, helps protect the cuticle from cracking while boosting moisture retention in each strand.

PRESERVE

Our concentrated, sulfate-free** shampoos powered by Coconut and Palm, extra gently cleanse without stripping hair or your color. A little goes a long way!

PROTECT

Never fade away. We've supercharged every single formula with elevated protection against fading from sun damage and environmental factors. And, for our leave-in styling products, we've added an extra boost of thermal protection***.

- Potent antioxidants derived from **Sunflowers** provide protection against fading by preventing oxidation and damage from free radicals to prolong the life and vibrancy of your hair color.
- **Vitamins A, C and E** counteract external damage from environmental pollutants so hair can retain moisture, strength and softness.****
- A thermal-protecting blend including **Pea Proteins** envelopes hair, shielding it from heat damage while helping dissipate static and flyaways.***

*A modified blend of the Protein Power Complex exists for select formulas including Powder Fix, Fiber Blast, Smooth Drops, Radically Smooth

**Free of SLS, SLES

***Only included in Colorproof leave-in formulas designed to prep hair to be used with hot tools.

****Vitamin E is not included in Smooth Drops.

Because we Care

CLEAN INNOVATION

We believe in making a positive contribution to the world, one product at a time. We aim to create clean formulas, full of the good and none of the bad. We are free from toxins and harmful chemicals so you can feel carefree about your color care. We are committed to being kind to the Earth - and the animals - because all living things deserve respect.

Every formula is absolutely....

OUR COMMUNITY

We embrace and celebrate our ever-growing, colorful community of hair-dressers and their clients, distributor partners, innovators, employees and vendors. Through transparency, diversity, and open communication, we aim to break boundaries so we can grow together.

*SLS, SLES-Free **Wherever possible on select products

GIVING BACK

Living our brand mission extends beyond color care to making the world a brighter place. We believe in living each day with gratitude and giving back to our community. Colorproof partners with organizations devoted to bettering lives and inspiring change. Clear It Up® Shampoo

This super-charged, clarifying shampoo hits reset for color-treated hair. A specialized blend including Baking Soda, Apple Cider Vinegar and Eucalyptus Oil gently cleanse and deodorize hair while removing color-dulling build-up and minerals. Leaves hair feeling amazingly clean, soft, touchable, lightweight and vibrant.

QUICK FACTS

- Extremely gentle and non-stripping, unlike other clarifiers
- Revives hair, leaving it clean, deodorized, soft and touchable
- Excellent to use before color services and to treat "swimmers' green"
- Helps prolong the life of hair color

FEATURES & BENEFITS

- | | |
|--|--------------------------|
| Concentrated – a little goes a long way | 100% vegan, cruelty-free |
| Detoxifies, clarifies and removes build-up | Gluten-free |
| Removes odor from the hair | Phthalate-free |
| Advanced Color Last System™ | Paraben-free |
| Sulfate-free* | PABA-free |
| No added salt | Mineral oil-free |
| | Keratin-free |

KEY INGREDIENTS

- **Baking Soda** gently removes build-up and cleanses hair while eliminating odors.
- **Apple Cider Vinegar** helps exfoliate the scalp and remove residue. Due to high levels of acidity, it helps smooth the cuticle, allowing light to bounce off hair's surface for incredible shine.
- **Eucalyptus Oil**, known for its ability to stimulate hair follicles, soothes and promotes scalp health.

USAGE: Wet hair and lather. Leave on up to 2 minutes. Rinse. Use as often as needed.

USAGE AMOUNT: Short Hair: Use the size of the "C" on cap / Medium Hair: Use size of the "C+P" on cap / Long Hair: Use size the full CP Logo.

IDEAL HAIR TYPES: All hair types and shades

PRO TIP: Create a weekly, reset routine with Clear It Up Shampoo and Instant Reboot Treatment Masque to remove mineral and product build-up for optimal shine and hair health.

This collection of our most luxurious formulas is designed to nourish, strengthen and help repair damaged or fragile, color-treated hair. Powered by the African superfruit, Baobab, used for centuries as a source of regeneration due to its curative, nutritional and hydrating properties. For hair, it revitalizes locks leaving them smoother, stronger and shinier with astonishing hair health.

Baobab Facts:

- Also called Africa's 'Tree of Life' and the 'Upside Down Tree' because its top looks like tree roots
- The Baobab tree can store up to 30,000 gallons of water, acting as a source of hydration in the dry, arid months
- Baobab fruit has 6x as much vitamin C as oranges, acai berries and blueberries
- It boasts 2x more calcium than milk and 66% more iron than spinach
- Baobab has been used for centuries in African medicine to treat fevers and help prevent malaria
