

A close-up, high-resolution photograph of a person's face, focusing on the right side. The person has light skin with numerous small, golden-brown freckles scattered across the forehead, nose, and cheeks. Their eyes are closed, showing long, dark eyelashes. The nose is prominent, and the lips are slightly parted, showing a natural pinkish hue. The lighting is soft and even, highlighting the texture of the skin and the distribution of freckles.

ABOUT CALECIM

CALECIM® is at the confluence of beauty, science and technology. Our intelligent products drive radical change, rejuvenating at the cellular level. We believe in the practical application of advanced scientific research, developed by a team of biologists, medical professionals and chemists. At our core is an unrelenting passion to transform people's lives.

ABOUT CELLRESEARCH

Founded in 2002, CALECIM® Professional's parent company, CellResearch Corp., specializes in skin regeneration. The company is committed to turning its 2004 discovery of cord lining stem cells into accessible consumer and medical products, leading extensive stem cell research across multiple fields of medicine, paving the way for potential therapeutic opportunities.

GET TO KNOW PTT-6®

PTT-6® is CALECIM®'s proprietary and patented active ingredient. It has an unprecedented concentration of growth factors: one millileter of PTT-6® contains over 3,000 active growth factors and peptides. PTT-6® is derived from ethically sourced stem cells and works to supercharge your own cells, through cell-to-cell messaging. This encourages your cells to produce beneficial proteins that your body needs, helping to address numerous skin and hair concerns.

HAIR SERUM

CALECIM® Hair Serum is a hair restoration program that addresses the symptoms of hair shedding and thinning. 6-12 weeks supercharge hair follicles and improve the thickness and strength of existing hairs, while the maintenance program keeps hair lustrous, thick and healthy.

JUST THE FACTS

- 6-12 week hair restoration program
- Contains powerful PTT-6® that stimulates hair growth by activating the hair follicles, and managing signs of inflammation that causes hair shedding
- Comes with an activator to prep the scalp for maximum results

HOW TO USE: Apply twice a week with the activator, utilizing half an ampoule each treatment, and one ampoule each week. One box of ampoules will last 6 weeks.
