

GET READY FOR THICKER, HEALTHIER HAIR

Meet CALECIM® Advanced Hair System, the hair restoration program that addresses the symptoms of hair shedding and thinning. 6-12 weeks supercharge hair follicles and improve the thickness and strength of existing hairs, while the maintenance program keeps hair lustrous, thick and healthy.

CALECIM®
PROFESSIONAL

POWERED BY PTT-6®

The Advanced Hair System is built on PTT-6®, a proprietary and patented active ingredient complex derived from ethically sourced stem cells, which activates the hair follicles to promote new growth and reduce hair shedding. It reintroduces youthful signaling messages to our cells, encouraging our hair follicles to behave in a younger manner.

Zero reported side effects

30x

reduction in follicle inflammation, the key cause of hair loss

14%

increase in the number of individual hairs on the scalp

16%

increase in hair shaft thickness

15%

increase in the number of follicles per sq/cm of scalp

THE DIFFERENCE AFTER 6 WEEKS

“

Amazing product and does what it says it does! Very noticeable hair growth and new shoots. I'm so pleased.”
