EVOLUTION OF STYLING

## SHINE GLOSS SPRAY

- Fights humidity & helps reduce color loss from environmental damage
- Designed to add glamorous shine
- Enriched with UV protectants, lightweight conditioners & sunflower oil

## PROTECT THERMAL SPRAY

- Provides heat protection up to 400°
- Designed for all hair types
- Enriched with amino acids, tamarind, & sunflower oil

## ENHANCE CURL LOTION

- Shapes shiny, soft, playful, bouncy curls
- Designed for sluggish, naturally curly hair
- Enriched with soy protein & sunflower oil

## BLOWDRY STYLING LOTION

- Delivers supreme manageability, softening agents, and an ultra-smooth, shiny finish
- Designed for chemically treated or challenging hair types
- Enriched with tri-protein complex, multi-functional silicones, & sunflower oil

## DEFINE MOLDING PASTE

- Forms versatile strength, definition, & a pliable finish
- Designed for mundane, flyaway hair
- Enriched with water-soluble polymers & sunflower oil

## BOND REVITALIZING MASQUE

- Supports bond repair & moisturizes damaged hair
- Strengthens, seals split ends, & increases shine & manageability
- Designed for damaged, dehydrated hair
- Enriched with linseed oil, baobab oil, sunflower oil, & keratin
- Paraben & Gluten Free

## LIMITED EDITION FIRM FINISHING SPRAY

- A versatile, strong hairspray formulated with sunflower oil and anti-web technology
- Firm Spray surrounds individual hair strands, creating all-day hold with natural movement

## LIMITED EDITION EXTRA FIRM FINISHING SPRAY

- Designed to lock in the perfect style, this hairspray delivers extra firm hold for any occasion
- Firm X Spray is infused with sunflower oil for added protection and shine

**STYLING IRONS**  
1" & 1 1/2"

- Titanium plates with beveled edge frame
- Lightweight, ergonomic design
- Adjustable temperature setting
- Thermostat vs. fuse component
- 9ft tangle-free cord
- Automatic shut-off timer with rapid recovery time. Rated for 1000 hours

**CURLING WANDS**  
1" & 1 1/2"

- Rose gold ceramic coating ensures even heat distribution and prevents damage
- Lightweight, ergonomic design minimizes strain & fatigue
- Safety stand and cool-touch tip
- Quick heat up and 4 adjustable temperature settings
- Auto shut-off after 60 minutes
- 9ft tangle-free cord

**TRIPLE WAVING IRON**

- Rose gold ceramic coating ensures even heat distribution and prevents damage
- Lightweight, ergonomic design minimizes strain & fatigue
- Cool-touch tip
- Quick heat up and 4 adjustable temperature settings
- Auto shut-off after 60 minutes
- 9ft tangle-free cord

**X•LONG CURLING IRON**  
1 1/4"

- Rose gold ceramic coating ensures even heat distribution and prevents damage
- Lightweight, ergonomic design minimizes strain & fatigue
- Barrel is 1.25" in width and 6" in length
- Auto shut-off after 60 minutes
- 9ft tangle-free cord

**CURLING IRON**  
1 1/4"

- Nano-titanium barrel ensures even heat distribution
- Lightweight, ergonomic design minimizes strain & fatigue
- Adjustable temperature control – up to 450°
- Fast heat-up & recovery time
- Turbo heat button
- 9ft tangle-free cord

**INFINITE IRON**

- Titanium plates with beveled edge frame
- Lightweight ambidextrous design
- Auto shut-off after 60 minutes of idle use
- Ideal for curling or smoothing
- 9ft tangle-free cord
